# ART FOR THE ISLAND

GALLERY TRESKO ISLES OF SCILLY

---

SATURDAY 25TH JULY 2026  
GALLERY TRESKO AT 6PM

---

Join us for an evening at Gallery Tresco, where a curated collection of works by our resident artists comes together in support of the island's woodland recovery following Storm Goretta - helping shape the next chapter of Tresco's landscape.

If you can't join us on the 25th, email us your bid so you don't miss out! For those on Tresco this July, there is no booking required - simply come along and see what catches your eye.
